RE: Norwegian Patent Application No. 168,252  
Our File 582-509B Norway

Dear Sirs:

We have received your letter of August 29, 1968,  
with which you reported to us the issuance of an Official  
Action in the above case.

It is our understanding that Claim 1 is to be  
corrected and that Claims 2 - 4 are to be cancelled. It  
is also our understanding that Claims 5 and 6 should be  
corrected to bring them into line with Norwegian practice.  
It is requested that you take care of amending Claims 5 and  
6 to satisfy the Examiner. If it is your judgment that Claims  
5 and 6 cannot be adequately amended to distinguish them from  
Claim 1, then you are authorized to cancel them.

We expect that you will file the Amendment well in  
advance of April 1, 1969.

Very truly yours,

George J. Brandt, Jr.
